

Caltrans Construction Notice

SOUTHBOUND I-5 FREEWAY CLOSURES

I-5 HOV Improvements – SR-118 to SR-170

June 14, 2013

WHAT

UPCOMING FULL FREEWAY CLOSURES

Starting June 24 through June 26, crews will continue demolishing the portion of the old I-5/SR-170 connector that sits partially over southbound I-5. For the safety of motorists, **this work will require three night closures of southbound I-5 between Osborne Street and Sheldon Street, as well as night closures of southbound I-5 on-ramps at Terra Bella Street and Osborne Street. Additionally, the westbound and eastbound SR-118 connectors to southbound I-5 will be closed.** (Motorists traveling on eastbound and westbound SR-118 and *not* connecting to southbound I-5 will NOT be impacted.)

ONGOING PARTIAL FREEWAY (LANE) CLOSURES

Currently, there is also bridge demolition work occurring on the portion of the old I-5/SR-170 connector that sits outside of southbound I-5 and that requires night closures of up to three freeway lane of southbound I-5. During these partial freeway closures, traffic will be able to continue traveling on southbound I-5 without being detoured. **A NOTE ABOUT NOISE: You may hear construction noise during the closure(s), but it will not exceed levels allowed by state and federal regulations. You may also notice lighting and a temporary increase in traffic on local streets.**

WHERE

- **UPCOMING FULL FREEWAY CLOSURES**
