## **Comments/Announcements from Government Officials:**

**Congressman Tony Cardenas** – field deputy, Jackie Serrano advised all that the Congressman’s office is available for assistance with federal agencies. The congressman recently held a “Town Hall” meeting in Sylmar and plans to hold more throughout local communities. In addition, he will be hosting a “Telephone Town Hall” in the near future. The Congressional Art Contest – the works submitted will be on display in Washington D.C. Upcoming events include a Congressional App Challenge (open to all high school students). Plans are being made for a Job Fair and a Health Fair. Congressman Cardenas has a Congressional Newsletter on his website.

**State Senator Bob Hertzberg** – field deputy, Eveline Bravo-Ayala thanks the ANC for the invitation to the upcoming National Night Out event. State Budget – school funding has increased by \$11,000.00 per student, an increase from last year that showed an increase of \$9,000.00 per student. The budget includes funding of transit issues such as upgrades and repairs on the 118, 210, and Interstate 5 freeways. Some of the state bills submitted by Senator Hertzberg were explained including SB231 – Storm Water Capture Fund. It was asked why SB231 places the financial burden on homeowners through a property tax increase. It was explained that SB231 is only a “definition bill” and does not address where funding will come from.

**Assemblyman Raul Bocanegra** – field representative for Arleta, Franklin Ochoa spoke about AB332, a bill that amends current law to allow local governments to vacate a street or alley where persistent illegal dumping has been occurring. In addition, 250 “Caltrans No Trespassing” signs are being installed in Caltrans District 7. This will give the ability to clean up illegal encampments. There will be a “Summer Movie Nights” on Friday, June 30<sup>th</sup> at 6:30 p.m. at Pacoima City Hall 13520 Van Nuys Blvd. Pacoima, CA 91331. The event is sponsored by Assemblyman Raul Bocanegra, L.A.P.D. Foothill Division, and Pacoima Beautiful. Admission is free and open to the public. They will be showing the Disney film “Moana.” Mr. Ochoa made flyers available for Free Spay/Neuter services for the month of June.

**Report from L.A.P.D. Senior Lead Officer** –Sgt. Arocho, L.A.P.D. introduced herself and PSR Kathy Hardy. Sgt. Arocho spoke about the progress being made by the Community Police Advisory Board (CPAB) at a park in North Hills at the corner of Parthenia Street and Sepulveda Blvd. The CPAB Quality of Life committee has worked hard to improve the park and combat the effects of gangs in the area. A board member stated that drug dealings have been observed at Branford Park. Sgt. Arocho stated that she will take that information back to the station and to Senior Lead Officer, Tracy Ware. Sgt. Arocho announced that there will be maximum deployment on the Fourth of July. PSR Hardy spoke about calls received – many are to report illegal fireworks. It was stated that if large amounts of fireworks are observed to call 911 as this could be perceived as a terrorist threat. The problem of illegal fireworks was discussed. It was suggested that we approach elected officials to increase the possession or use of illegal fireworks to a felony, to make homeowners responsible (not just the individuals lighting the fireworks), increase the fine.
