Jasmine Elbarbary (**Empower L.A.**) introduced herself as the new neighborhood council advocate for the Arleta Neighborhood Council.

Lea Gonzalez spoke on behalf of the **29<sup>th</sup> Congress District** – she spoke about a Town Hall on teleworking. She stated that office phone hours have been extended – 8:30 a.m. – 8:00 p.m.

Lorena Bernal spoke on behalf of **L.A. City Council District 6** – she said there has been a lot of requests for Bulky Item Pick-up and illegal dumping causing delays in pick-up. She encouraged using the 311 app and/or calling 311 to request services. She spoke about homeless encampments being out of control. The mayor issued a directive to not disturb encampments. She spoke about overgrown vegetation along Woodman from Branford to Community. The L.A. City Council is in recess now and will return next week.

Concerns were raised about a homeless encampment at Woodman and Fillmore. They are stealing electricity from a nearby light pole, selling drugs, and impeding pedestrians.

Officer Tracy Ware – **L.A.P.D. Senior Lead Officer for Arleta** gave a crime update for last month. There has been an increase of GTA (Grand Theft Auto) especially on Canterbury between Fillmore and Terra Bella. She stressed the importance of “Hide it, Lock it, Keep it.” She has received a lot of vendor complaints. She encouraged using the 311 system (call or use the App for “non-compliant vendors”). Officer Ware has gone out with Sanitation to the homeless encampment at Woodman and Fillmore. They were able to clear the sidewalk and they continue to work on that location and all encampments. The front desk at L.A.P.D. Mission Station remains closed. We can call the front desk at 818-838-9800. There will be an Impromptu Community Transparency Meeting at Branford Park on Sunday July 26<sup>th</sup> from 11:00 a.m. until 12 noon; everyone is welcome.

A community member expressed concern for the double standard that protects protestors – “they can do what they want but we must stay at home.” The feeling is that the mayor should do something.

Another stated that there is no more confidence in our elected officials at all levels of government. They do not seem to be considering the best interest of the communities they represent.

Glenn Bailey gave some neighborhood council updates – the Valley Alliance of Neighborhood Councils (VANC) held their last in-person meeting in February. They will hold a virtual meeting on Thursday, August 13<sup>th</sup> at 6:30 p.m. Everyone is invited to attend. The L.A. Neighborhood Council Coalition meets on the first Saturday of the month, August 1<sup>st</sup> at 10:00 a.m. The 2020 Congress of Neighborhood Councils was cancelled. A possible mini Congress Kick-off event is planned for September 26<sup>th</sup> from 8:30 – 12 noon. Glenn requested that we include budget advocate on our agenda to allow for questions and answers. He added that the role of the budget advocate is even more important than ever before.

Caroline Menjivar, the East Valley representative from the mayor’s office, announced that Arleta is in second place behind Pacoima in the San Fernando Valley for COVID-9 cases. She stated that the mayor’s directive regarding homeless encampments and Sanitation clean-ups is pursuant to a L.A. City Council decision. She said that L.A.
