The City's Neighborhood Council system enables civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of volunteer stakeholders who are devoted to the mission of improving our communities and bringing government closer to us. The Committee does not take action on behalf of the full Neighborhood Council Board. It considers proposals and forwards Committee-approved recommendations as proposed motions to the full Board. The Board will consider the Committee's recommendations at a future public Board meeting and may take final action on the recommendations.

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities. Sign language interpreters, assistive listening devices, and other auxiliary aids/or services may be provided upon request. To ensure the availability of services, please make your request at least 3 business days (72 hours) prior to the meeting you wish to attend by contacting the *Arleta NC Board* at president@arletanc.org.
